NOTE: Items in this flyer may be shown with optional finishes

Single place, two-piece Custom Cupholder™ shown with oval rim and optional inlay areas.

Single and Double Place Custom Cupholders™

Custom Cupholders™ are available in many different styles, sizes and configurations. One-, two- and multi-piece construction with two insert materials to choose from. Custom sizes and designs are also easily accommodated.

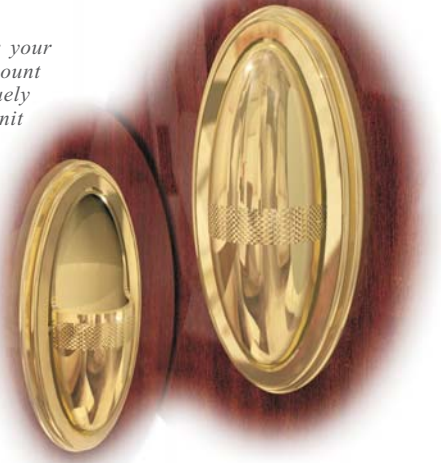

Double place, one-piece Custom Cupholder™ shown with pinched rim and standard cork inserts.

Flip-up Lid Ashtray inserts (FLA) available in sizes to fit cupholders with inside diameters from 2.75" to 3.40". Bottom cups are easily removed for cleaning.

Ashtray Inserts and Vertically Mounted Ashtrays

Whether you need an ashtray insert for your Custom Cupholder™ or an ashtray to mount vertically on a bulkhead, one of our uniquely designed units is sure to fit the bill. Each unit is easy to use and easy to clean.

Vertically Mounted Ashtray (VMA) with a rotating, removable insert. Sizes to fit panels as thin as 3/8".

Custom designed and manufactured drip tray with slotted grill option.

Elegantly Designed and Crafted Custom Driptrays

Each drip tray is custom designed to fit your specific size requirements. The easily removable grill snaps securely into place and is available in one of two different styles.

Custom designed and manufactured drip tray with perforated grill style and optional logo.

FalconJet tambour-unit replacement provides larger and deeper cupholders at one-half the weight!

Custom Items

- OEM direct replacements units
- Integrated monitor receptacle covers
- Cupholders to fit specific glassware
- Wine glass holders

Monitor receptacle cover integrated with a Custom Cupholder™. Other styles and standalone units available.

Custom Cupholders

We're not just cupholders anymore!
